

EXAMINATION RESULTS AND
DESTINATIONS OF LEAVERS

2021

Once again, Woldingham students excelled at A Level receiving outstanding results in 2021, gaining places to world renowned universities in the UK and overseas.

For the second year running, public exams were cancelled because of COVID. As a result, this year's A Level and GCSE grades were awarded through Teacher Assessed Grades (TAGS), based on evidence gathered over the course. The whole school is so proud of the students' academic achievements.

Woldingham's 2021 Upper Sixth leavers continued the school's tradition of choosing a wide range of courses, from art to veterinary science and from economics to drama. STEM subjects were the most popular degree choice, with 33% of students leaving to take a STEM-based course. For 2021 Woldingham leavers, Durham was the most popular university destination and 98% of students achieved a place at their first-choice university.

GCSE results were first-rate across the board with nine students achieving a remarkable clean sweep of 9s. Huge congratulations to all our GCSE candidates.

Our 'added value' indicator puts Woldingham in the top 10% of schools in the UK meaning that Woldingham enables students to get a whole grade better at GCSE and half a grade higher at A Level compared to their predictions when joining the school. This is just one way in which Woldingham helps students #WriteYourOwnStory, leading to exciting careers and fulfilling lives.

Dr James Whitehead, Head
MA (Oxon), MPhil, PhD, FRSA
