THE JAYNE TRIFFITT BURSARY FUND

MAKING A GIFT ON LEAVING WOLDINGHAM SCHOOL

The Jayne Triffitt Bursary Fund was launched in 2016 to provide transformational bursaries for talented young women entering the school. It funds one full bursary for a girl joining in Year 7 each year. As the fund develops, with your help, further bursaries will be offered.

On joining the school you will have paid a deposit to secure your daughter's place. A small percentage of this is taken by the school as payment for her lifetime membership to WSHA, our Old Girls Association. All the remaining monies would normally be refunded to you once your final account is settled on leaving the school.

There has been a suggestion from several leaving parents that they would be willing to donate the remaining funds from this deposit by way of a donation to the Jayne Triffitt Bursary Fund when their daughter leaves the school this year.

This is a simple but meaningful way to make a gift and to support the school's ability to offer bursaries to bright, young girls into the future. Gifts such as these are essential to sustain the Jayne Triffitt Bursary Fund allowing new bursary recipients to benefit each and every year.

The deposit gifting programme will create a considerable annual donation from the families who leave the school that year and will help us to support future generations of Woldingham girls. The collaborative impact of many combined gifts, such as this, is truly transformational.
