

Uniform and sportswear

from September 2020

WOLDINGHAM
SCHOOL

Following feedback from students and parents, and to provide a contemporary new design, we have updated some elements of our uniform and sportswear.

Changes to the school uniform are relatively minor and involve adjustments to the style of the kilt, jacket, jumper and Sixth Form suit to allow for better fit and design. There are more significant changes to sports kit allowing students to enjoy representing the school with these new styles.

From June 2020, the only new items available to buy will be the uniform and sportswear outlined in this booklet. Students joining the school in September 2020 must only wear this new uniform and sportswear. Other students will be able to continue to wear existing uniform until September 2021. After September 2021 all students will be expected to have the updated uniform and sportswear.

Buying uniform and sportswear

From June 2020, all branded uniform and sportswear will only be available to buy from [schoolblazer.com](https://www.schoolblazer.com). The current prices are listed on its website. School Blazer will start selling Woldingham School uniform from 26 June 2020.

The school uniform shop is now closed and no new uniform can be bought from the school.

Secondhand uniform sales will continue from the autumn term 2020 onwards but will only sell current uniform and kit. We will not sell any secondhand uniform through the school that does not conform to the uniform and kit in this booklet.

Some unbranded elements of our school uniform can be bought from School Blazer or other retailers. These are clearly marked in this booklet and in the uniform checklist attached.

Please make sure you place your order with School Blazer in plenty of time before the start of term. Items of the wrong size can be returned and reordered in the correct size but this can take a few days.

School Blazer will deliver via DPD with a normal turn-around of 1-2 days even in the busy summer period. Urgent garments can be shipped in 24 hours on a fast-track service. Please allow extra time for international delivery. For international students, school uniform can be delivered directly to school.

Name labels

You can buy name labels from School Blazer. In the future School Blazer will be able to supply uniform with the labels already sewn in but unfortunately it is not able to provide this service for September 2020.

Please make sure all items of clothing are clearly and securely named so lost items can be returned.
