AIMS

This is the attendance policy of Woldingham School (**the School**).

The School aspires to high levels of attendance from all pupils. Good attendance is essential for all pupils to get the most out of their school experience, including their attainment, well-being and wider life chances.

Absence is discouraged as it can lead to educational disadvantage and may place students at risk. For the most vulnerable students, regular attendance at school is also an important protective factor.

The aims of this policy are as follows:

- to develop and maintain a whole school culture that promotes the benefits of good attendance;
- to ensure, so far as possible, that every pupil in the School is able to benefit from and make their full contribution to the life of the School;
- to prioritise and, where possible, improve attendance and punctuality across the School, reduce absence and set out the School's approach to the management of absence / non-attendance;
- to recognise the linkages between attendance / absence and pupil wellbeing, specifically ensuring a consistent whole school approach to safeguarding; and
- to help to promote a whole school culture of safety, equality and protection.

THE IMPORTANCE OF GOOD ATTENDANCE

The School recognises the importance of developing good patterns of attendance from the outset to align with our overall safeguarding approach. This is an integral part of the School's ethos and culture. In building a culture of good school attendance it recognises:

- the importance of good attendance, alongside good behaviour, as a central part of the school's vision, values, ethos, and day to day life;
- the interplay between attendance and wider school improvement efforts, building it into strategies on attainment, behaviour, bullying, special educational needs support, supporting pupils with medical conditions and / or disabilities, mental health issues, safeguarding wellbeing, and support for disadvantaged pupils;
- the importance of setting high expectations for the attendance and punctuality of all pupils and communicating these regularly and effectively to pupils and Parents;
- that attendance is never "solved" and is a continuous process requiring revision and updating of messages, processes and strategies; and
- children absent, or missing, from education can act as a vital warning sign to a range of safeguarding issues, including neglect, sexual abuse and child sexual and criminal exploitation.

SCHOOL RESPONSIBILITIES

The School acknowledges that attendance is the essential foundation to securing positive outcomes for all pupils and that everyone has a responsibility to take proactive steps to manage and improve attendance across the School community.

The School will consistently promote the benefits of good attendance, setting high expectations for every pupil and consistently communicating those expectations to pupils and Parents.

Where there are challenges to attendance, the School will work effectively and respectfully with pupils, their families and, where appropriate, local authorities to address them.

The School will respond to non-attendance and / or lateness proactively, firmly, consistently and with care, with appropriate reference to this policy, its safeguarding and behaviour policies and the School's terms and conditions. It will act in a proportionate and targeted way in response to data or intelligence and ensure intervention is regularly reviewed.

The School will have robust systems in place to track and record attendance, reasons for absence and patterns at an individual level and by cohorts or groups in order to identify pupils at risk of non-attendance and those who are persistently absent and it will monitor and analyse this data regularly to facilitate early intervention to address issues.

STAFF RESPONSIBILITIES

The SAC

The Proprietor has appointed a senior member of staff of the School's leadership team as SAC to have overall responsibility for championing and improving attendance in school. Details of the individual appointed are at the front of this policy and are widely publicised within School.

The SAC's responsibilities are:

- (a) to set a clear vision for improving attendance in school;

- (b) to establish and maintain effective systems for tackling absence and make sure the systems are followed by all staff;
- (c) to regularly monitor and evaluate progress, including the efficacy of the school's strategies and processes;
- (d) to have oversight of and analyse attendance data alongside the Data Manager; and
- (e) to communicate clear messages on the importance of attendance to pupils and Parents.

Staff with specific responsibilities for attendance

The staff identified in the key contacts of this policy have day to day responsibility for monitoring and promoting good attendance and punctuality. They should:

- have a formal routine for registers being taken accurately each morning and afternoon;
- record all absences promptly and accurately using the processes specified;
- seek explanations of absences required from pupils on their return to School;
- make enquiries about unexplained absences, including those within the school day, and follow up with the pupil to ensure that an explanation has been formally given to the School;
- look out for trends or patterns in a pupil's attendance and inform the SAC of any specific concerns;
- deal with lateness to lessons consistently and promptly;
- consider appropriate sanctions for pupils who arrive late to a lesson in line with the School's behaviour and discipline policies; and
- discuss non-attendance and / or lateness with pupils and Parents (where possible) and emphasise the importance of punctuality and attendance.

All staff

The School ensures that all teaching and business staff know the importance of good attendance and are consistent in their communication with pupils and Parents about it.

The School provides appropriate training and professional development for staff consistent with their roles and responsibilities.

SCHOOL ARRANGEMENTS

The School will accurately complete admission and attendance registers and have effective day to day processes in place to follow-up absence. These registers must be kept electronically. Contact details of relevant staff can be found at the front of the policy and other details about the School's arrangements can be found in Appendix 1.

Monitoring attendance

The School will undertake regular data analysis to identify and provide additional support to pupils or pupil cohorts that need it, and to look at historic and emerging patterns across the School and develop strategies to address them. Such analysis may include:

- monitoring and analysing weekly attendance patterns and trends and provide support in a targeted way to pupils and families;
- undertaking frequent individual level analysis to identify pupils who need support and focus staff efforts on developing targeting actions for those cases;
- conducting thorough analysis of termly, and full year data to identify patterns and trends;
- benchmarking attendance data at whole school, year group and cohort level to identify areas of focus for improvement;
- devising specific strategies to address areas of poor attendance identified through data;
- monitoring the impact of school-wide attendance efforts, including any specific strategies implemented; and
- providing data and reports to the Proprietor to support its work.

PUPIL RESPONSIBILITIES

School attendance is important to pupil attainment, wellbeing and development. The School therefore has high expectations of pupils as to their attendance and has systems in place to reward good attendance and manage poor attendance.

Pupils should be aware that:

- they are expected to be present in-person for the duration of each School day;
- they are expected to arrive on time and attend all timetabled lessons;
- they should not leave a lesson or the School site without permission or otherwise in accordance with School rules, including signing out if leaving during the school day;
- they should engage with the School's arrangements for recording and managing attendance as set out in this policy;
- any unexplained absence will be followed up;
- persistent lateness or non-attendance will result in action being taken by the School. This may take the form of:
 - offers of support to seek to identify and address any barriers to attendance;
 - communication with Parents;
 - reporting to other agencies such as children's social care

If pupils are having difficulties that might discourage or prevent them from attending School or specific lessons regularly, the School encourages them to speak to their tutor or Head of Year in the first instance. They may also speak to any member of staff including those staff identified in the key contacts above. Pupils are entitled to expect this information to be managed sensitively.

ADDITIONAL NEEDS

The School recognises some pupils may find it harder than others to attend School, and will work with those pupils and parents to try to remove barriers to attendance by building strong and trusting relationships and working together to put the right support in place.

The School will make reasonable adjustments where a pupil has a disability that puts them at a substantial disadvantage, in comparison with pupils without a disability, in relation to school attendance.

It will also work with Parents, and where appropriate with the local authority, to develop specific support approaches for attendance for pupils with special educational needs and disabilities e.g. ensuring the provision outlined in a pupil's education, health and care plan is accessed.

Where a pupil has an education, health and care plan the School will communicate with the local authority where the pupil's attendance falls or the School become aware of barriers to attendance that relate to the pupil's needs.

Suitable strategies and support will also be considered for pupils with any social, emotional or mental health issue that is affecting their attendance.

Where barriers are outside of the School's control, the School will work with Parents and pupils to identify alternative sources of support or consider, where appropriate, making a referral for early help.

The School will make a sickness return to the local authority if a pupil is recorded in the attendance register as absent using the national absence code I (unable to attend because of sickness) and there are reasonable grounds to believe that the pupil will have to miss 15 consecutive or cumulative school days or more for illness or the pupil's total number of school days missed during the current school year because of illness (whether consecutive or cumulative) will reach or exceed 15 school days.

PARENT AND CARER RESPONSIBILITIES

The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education.

This means pupils must attend every day that the School is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the School.

The School will help Parents to understand what is expected of them and why attendance is important to their child's attainment, wellbeing, and wider development. The 'Working Together to Improve Attendance' leaflet (Appendix 3) supports this by providing clarity on the short and long term consequences of poor attendance.

Parents are bound by the terms relating to conduct and attendance in the parent contract and failure to ensure a child's attendance or engage with the School about it could amount to a breach of contract or a finding that the parent is treating the School unreasonably.

TRAINING

Staff: The School ensures that, where applicable, regular guidance and training on attendance is arranged on induction and at regular intervals thereafter so that staff and volunteers understand what is expected of them by this policy and have the necessary knowledge and skills to carry out their roles. As a minimum this will include all staff understanding:

- the importance of good attendance and that absence is almost always a symptom of wider circumstances; and
- the School's strategies and procedures for tracking, following up and improving attendance.

Dedicated attendance training is provided to any member of staff with a specified attendance function in their role, including administrative, pastoral or family support staff and senior leaders. This should include:

- the law and requirements of schools including on the keeping of registers;
- the process for working with other partners to provide more intensive support to pupils who need it;
- the necessary skills to interpret and analyse attendance data; and
- any additional training that would be beneficial to support pupils and pupil cohorts overcome commonly seen barriers to attendance.

The School maintains written records of all staff training.

INFORMATION SHARING

Personal information on attendance will only be shared in line with legal obligations and having regard to government guidance on attendance, safeguarding and children missing education.

The School, local authorities and other local partners should work jointly and share data on individual cases where it is of benefit to a pupil (e.g. health services where there are medical conditions or the police where there are extra-familiar harms).

Where appropriate, the schools will attend regular targeting support meetings.

The School is legally required to share information from the registers with the local authority. As a minimum this includes:

- New pupil and deletion returns (the School Roll);
- Attendance return;
- Sickness returns.

The law allows local authority officers access to the attendance and admission registers of all types of schools to carry out their functions under the Education Acts to support joint working between schools and local authorities. These officers are also permitted to take digital or physical extracts of the School's registers.

The School must provide specific pupil information on request to the Secretary of State.

Where appropriate, the School is expected to inform a pupil's social worker and / or youth offending team worker if there are unexplained absences.

RECORD KEEPING AND CONFIDENTIALITY

All records created in accordance with this policy are managed in accordance with the School's policies that apply to the retention and destruction of records.

The information created in connection with this policy may contain personal data. The School's use of this personal data will be in accordance with data protection law. The School has published a privacy notice on its website which explain how the School will use personal data.

AUTHORISED ABSENCES

Authorised absence means that the School has either given approval in advance for a pupil to be away (granted an authorised leave of absence) or has accepted an explanation offered afterwards as justification for absence.

Applications for an authorised leave of absence

Applications for authorised leaves of absence during the School day will only be granted in exceptional circumstances and will only be permitted if made in writing to the Head of Year, who may seek authorisation from the Head if the period of absence is lengthy.

The School will consider each application for an authorised leave of absence individually, taking into account the specific facts and circumstances, the pupil's past attendance record and the relevant background context behind the request.

Apart from illness or where there are additional needs, no pupil should be away from School without prior permission from the Head of Year.

Dental or medical appointments should be made during School holidays or after the school day except in cases of emergency when Head of Year and the Attendance officer should be informed.

If a leave of absence is granted, it is for the Head of Year, and, in some circumstances, the Head, to determine the length of the time the pupil is permitted to be away from School. Parents are informed that any absence from school, even where authorised, still impacts their child's attendance data. See the attendance leaflet – Appendix 3.

A leave of absence will usually be authorised for religious observance if the day concerned is exclusively set apart for religious observance by the religious body to which Parents belong. Parents are expected to make a request for this type of leave of absence in advance.

Whether an absence is authorised or unauthorised is at the discretion of the Head.

REPORTING DUTIES

The School is legally required to share information from its registers with the local authority. As a minimum this includes:

- **New Pupil and Deletion returns:** notifying the local authority when a pupil's name is added to or deleted from the school admission register outside of standard transition times¹.
- **Attendance returns:** providing the local authority with the names and addresses of all pupils of compulsory school age who fail to attend school regularly or have been absent for a continuous period of ten school days where their absence has been recorded with one or more of the codes statistically classified as unauthorised (G, N, O, and/or U – See Appendix 5).
- **Sickness returns:** providing the local authority with the full name and address of all pupils of compulsory school age who have been recorded with code I (illness) and who the school has Reasonable grounds to believe will miss 15 days consecutively or cumulatively because of sickness. Only one sickness return is required for a continuous period of sickness in a school year.

In the event that a pupil holding a Student or Child Student visa sponsored by the School under the Points Based System goes missing, the School will report to UKVI if the pupil misses ten consecutive expected contact points. Each time the School's attendance register is completed it is treated as a contact point for these purposes.

The report will be made by the School's Level 1 user via the Sponsor Management and in accordance with prevailing UKVI guidance.

Action will also be taken in accordance with the Missing Child policy and Safeguarding and Child Protection policy if any absence of a pupil from the School gives rise to a concern about their welfare. This includes referring any concerns about a pupil to local children's social care services and instigating a police welfare check where necessary.

APPENDIX 2 - ADMISSION REGISTER

Admission register

In accordance with the requirements of the School Attendance (Pupil Registration) (England) Regulations 2024 the School will:

- maintain an admission register of all pupils (of both compulsory and non-compulsory school age) admitted to the School (also known as the school roll); and
- inform the local authority of any pupil who is going to be added to or deleted from the School's admission register at non-standard transition points.

The admission register must be kept electronically and a back-up copy of the register is made at least once a month in the form of an electronic or printed copy.

The school must ensure that every entry in the School's admission register is preserved for six years beginning with the day on which the entry was made; and every back-up copy of the register is preserved for six years after the end of the school year that it relates to.

The admissions register contains specific personal details of every pupil in the School, including their date of admission, information regarding Parents and carers and details of the school they last attended and in the case of boarding schools whether each pupil of compulsory school age is a boarder or day pupil.

A pupil's name can only be deleted from the admission register for a reason set out in regulation 9 of the School Attendance (Pupil Registration) (England) Regulations 2024. When any of the situations set out in regulation 9 occurs, the pupil's name must be deleted.

Where the School notifies the local authority that the pupil's name is to be deleted from the admission register, the School must provide it with the following information:

- the full name of the pupil;
- the address of the pupil;
- the full name and address of any parent the pupil normally lives with;
- at least one telephone number of any parent with whom the pupil lives or can be contacted in an emergency;
- the pupil's future address, the full name and address of the parent who the pupil is going to live with, and the date the pupil is expected to start living there, if applicable;
- name of the pupil's other or future school and pupil's start date or expected start date there, if applicable;
- the ground (prescribed in regulation 9) under which the pupil's name is to be deleted from the admission register.

WORKING TOGETHER TO IMPROVE ATTENDANCE

In August 2024, the Department for Education (DfE) updated its 2022 guidance *Working Together to Improve School Attendance*. This leaflet provides parents with a summary of that guidance and how it applies at Woldingham School.

WHY ATTENDANCE MATTERS

Attending school full time is a legal requirement. When parents choose to register their child at school, they also take on the legal duty to ensure their child attends regularly. This means that your daughter must be present every day the school is open, except in a small number of approved circumstances (e.g. illness or advance permission for an absence).

Regular attendance is vital. National data shows that students with the highest attendance achieve the best academic outcomes. Good attendance also supports wellbeing, builds friendships, and broadens future opportunities. For our most vulnerable students, consistent attendance is also a key protective factor.

At Woldingham, we are committed to promoting excellent attendance so that every student can thrive and reach her full potential in all aspects of school life.

To emphasise the importance of attendance, all schools must now have a Senior Attendance Champion, who is a member of the leadership team. At Woldingham, this is the Deputy Head Safeguarding who will promote and support good attendance for all students.

HOW PARENTS AND GUARDIANS CAN HELP

- ✓ Talk to your daughter about why school attendance is important.
- ✓ Ensure she arrives on time - even a few minutes late each day adds up to significant lost learning.
- ✓ Only keep her home if she is genuinely unwell.
- ✓ Encourage participation in the wider curriculum (school trips, Sports Day, House Festival).
- ✓ Avoid booking family holidays in term time.
- ✓ Schedule non-urgent appointments outside of school hours.
- ✓ Engage with staff early and openly if you have concerns about your daughter's ability to attend.

REPORTING AND REQUESTING ABSENCE

If your daughter is unable to attend, please email absence@woldinghamschool.co.uk and cc her year team, (e.g. Year10@woldinghamschool.co.uk) before 8.25am each day she is absent, including a reason. Absences without a reason will be recorded as unauthorised. Providing a reason does not automatically mean the absence will be authorised; this decision rests with the school. For boarders, the boarding or health centre staff will email the absence line and inform parents/guardians.

Requests for leave of absence may be made for specific occasions (e.g. family wedding, funeral, high-level sporting commitment). Requests must follow the Student Handbook (available on the Parent Portal) and our Attendance Policy (on the school website). Please submit requests in good time to your daughter's Head of Year, who may need to seek authorisation from the Head. This includes requests for early departure or late return at the end of term.

Please note that even authorised absences affect your daughter's attendance record.

We understand that some students face extenuating circumstances such as long-term medical needs or school refusal. In these cases, we will work closely with families to support both academic progress and pastoral care, while promoting a successful return to school.

TERM DATES

Term dates are published at least a year in advance on our website and the Parent Portal. Early departures or late returns outside these dates are recorded as unauthorised absences.

HOW ATTENDANCE IS RECORDED

2025-2026	Days missed	Sessions* missed
100%	0	0
Below 95%	8.5 +	17 +
Below 92%	13.5 +	27 +
Below 90%	16.5 +	33 +

* One session = statutory morning or afternoon registration (10 per week)..

ATTENDANCE NOTICES

- Parents are notified termly if a student's attendance drops to 95%, 92%, or 90%, or if there is an unauthorised holiday.
- Notices are issued even where reasons are understood and fully supported, in line with DfE guidance.
- At 90% or below a student is defined as persistently absent. Parents may be invited to a meeting to discuss how best to support their daughter's needs and improve attendance.
- For overseas students on a student visa who miss 10 consecutive contact points, we must inform UKVI.

WORKING WITH THE LOCAL AUTHORITY

We are legally required to share your daughter's attendance data with the Local Authority on a regular basis. Additionally, we must inform them when any student reaches 15 days absence in the academic year, consecutively or cumulatively, as a result of sickness. This equates to three weeks' absence from school for illness. Any student with an unexplained or unauthorised absence for a period of 10 school days must also be shared.

APPENDIX 5 – ATTENDANCE LETTERS TO PARENTS PROCESS

The Attendance monitoring is supported by regular communication with parents via the tutors, Heads of Year and other staff as appropriate. Formal letters are also issued when attendance drops below certain thresholds as well as when it is identified that the student's attendance has improved.

The Heads of Year receive attendance reports at the end of Autumn term and then at the end of each half term, during Spring and Summer, showing students that are below 95%, 92% and 90% attendance over the reported period.

Letters are sent on a first, second and third notification basis regardless of which threshold of attendance the student falls below. The template of the letters are fixed. Any changes to the format, other than student name and attendance percentage, must be agreed with a member of the Deputy Head team and the DSL.

Improvement in attendance letters are sent when a student shows an improvement in attendance according to the thresholds.

Once a final list is provided by the Head of Year, the Attendance and Pastoral Officer is responsible for sending the appropriate letters via ISAMS.

Re: {{pupil.txtforename}} {{pupil.txtsurname}} - {{pupil.txtform}}

In August 2024, the Department for Education (DfE) updated their guidance entitled 'working together to improve school attendance'. This guidance sets out the expectations for schools in order to maintain high levels of school attendance.

At Woldingham School we are committed to promoting high levels of school attendance to ensure our students can thrive and reach their full potential in all aspects of their lives.

We are writing to let you know that {{pupil.txtforename}}'s attendance so far this Academic Year has dropped below 95%.

{{pupil.txtforename}}'s attendance is: {{registration.intpercentageampmpresentthisyear}}.

We appreciate that there can be a number of circumstances in which {{pupil.txtforename}} has not been able to attend such as due to illness or an agreed authorised absence from the school, we will still continue to monitor {{pupil.txtforename}}'s attendance to ensure it does not continue to fall.

We also understand that for a small minority of students there are extenuating circumstances leading to prolonged absence, which may lead to an attendance figure well below the thresholds of 95%, 92% or 90% (as outlined in our attendance policy). In these instances, key staff will already be aware and supporting families; however we are still required to notify you of {{pupil.txtforename}} attendance data.

If {{pupil.txtforename}}'s attendance continues to decrease, or remains below the expected attendance thresholds next term, we will write to you again to discuss what further support we can put in place to ensure {{pupil.txtforename}} attends school regularly.

We want to work collaboratively with you to achieve the best possible outcome for your daughter during her time at Woldingham; regular school attendance is the foundation of positive outcomes for young people with statistics showing that those with the highest attendance have the highest attainment. Therefore, please do not hesitate to contact us should you have any concerns or want to discuss {{pupil.txtforename}}'s attendance in further detail.

Yours sincerely,

Re: {{pupil.txtforename}} {{pupil.txtsurname}} - {{pupil.txtform}}

We are delighted to inform you that {{pupil.txtforename}}'s attendance has improved and is now above the expected threshold for good attendance.

{{pupil.txtforename}}'s attendance is currently: {{registration.intpercentageampmpresentthisyear}}.

This is a great achievement and reflects her commitment, as well as the support provided at home, to ensure she is able to attend school regularly. We would like to congratulate {{pupil.txtforename}} on her progress and encourage her to keep building on this positive momentum.

Regular attendance underpins success at school, and we know that maintaining this consistency will help {{pupil.txtforename}} not only continue to thrive in her studies, but also personally and in the wider school community.

Thank you again for your partnership in supporting your daughter's education. We look forward to seeing {{pupil.txtforename}} continue to succeed as the academic year progresses.
