BACKGROUND

Woldingham is one of the UK's leading day and boarding schools for girls aged 11 to 18. Set in 700 acres of beautiful Surrey countryside, the School's vision is to provide an outstanding education that empowers women to change the world.

As one of the oldest girls' schools in the country, Woldingham is a proud pioneer of women's education, with a single-sex environment that is supportive and stimulating.

There are 570 students currently enrolled in the School and it expects to have around 600 students from September 2021. Most girls join the School aged 11, with an intake of 80 in Year 7 and around 25 in Year 9. Woldingham is an increasingly popular choice. The School received more applications for school places for September 2020 than ever before.

Academic results at Woldingham are strong and the A Levels and GCSEs achieved by girls this year were no exception. Woldingham's value-added data puts it in the top 10% of all schools. On leaving Woldingham, Sixth Form students typically go to top UK and international universities, including Oxbridge, Durham, Edinburgh and St Andrews.

Academic and personal growth are two sides of the same coin at Woldingham. The School aims to nurture confident, happy and successful young women, who are well-equipped to make a positive difference to the world and to instil a lifelong love of learning.

Around 50% of students board – full, weekly or flexi. UK day students come from London, Surrey, Kent and Sussex. In addition, 25% of girls are international and from over 30 different countries. The majority of international girls are boarders.

The Board of Governors agreed a new strategic development plan for 2019 – 2024, with a refreshed vision and mission underpinned by the School's Sacred Heart values of faith, community, intellectual values, social awareness and personal growth. The plan has been extremely well received and the School has made a very positive start to achieve the ambitious vision.

History

Founded in 1842 by Saint Madeleine Sophie Barat, the School was originally based in Acton, West London, and later moved to Roehampton. Woldingham School has been based at its current site at Marden Park since 1946. For many years it was a full boarding school. Woldingham now has a well-balanced mix of day girls and boarders.

As the first Sacred Heart school in England, Woldingham was initially called the Convent of the Sacred Heart. It became Woldingham School in 1985 when it moved to lay leadership.

In 2017 Woldingham celebrated its 175th anniversary with a year of high-profile events. Today the School is forward-looking, open-hearted and vibrant.

Ethos

Woldingham is a happy and successful school, which aims to develop confident, compassionate and courageous young women.

Girls are encouraged to nurture respect for self, each other and for the environment.

The Woldingham community is strong, forward-thinking and kind. Students leave Woldingham with academic results that open doors, values to navigate careers and life ahead, and friendships that last a lifetime.

Woldingham is a Catholic school, with a chapel at its heart and an ethos resonating throughout the School. Around one third of students are Catholic and the School welcomes girls of all faiths and none.

As a member of the International Network of Sacred Heart Schools, Woldingham has a strong sense of community based on a set of shared principles which are:

- Faith and living responsibly in the world today.
- Social justice and an awareness which impels to action.
- Community and sharing friendships with those outside it.
- Scholarship and a deep respect for intellectual values.
- Personal responsibility and growth in an atmosphere of wide and appropriate freedom.

Academic Excellence

Woldingham is committed to fulfilling the academic potential of every student. A selective school, Woldingham is proud to be in the top 10% of schools in the UK for 'value added education.' In 2020, 72% of A Level grades were A*-A and 62% of GCSE grades were 9-8. In 2020, 10 Sixth Formers took an EPQ and seven achieved an A*. Most Sixth Form students leave Woldingham for places at leading UK and international universities, with four girls securing places at Cambridge and 89% securing a place at their first or second choice university in 2020.

Teaching and learning are centred around the School's unique WOLD model:

Willingness
to work hard and make mistakes

Opportunities
to maximise all learning

Learning
is a life-long process

Determination
to succeed

The School offers a broad curriculum with 26 A Level choices available in the Sixth Form. There is an excellent academic enrichment programme for all students, as well as a dedicated programme for academic scholars called Kritikos, and intensive support for students applying to Oxbridge, medicine, dentistry and veterinary science.

Pastoral Care

Pastoral care is at the heart of the School. At Woldingham every girl is known and supported as an individual by both teaching and support staff. The School supports – and expects – girls and staff to be kind to each other. The single-sex environment is supportive and stimulating. It enables girls to be themselves and to grow into independent women.

Relationships amongst the pupils and the staff are excellent. Tutors provide excellent academic and pastoral support and guidance for students, in close conjunction with Heads of Year, teaching and support staff.

THRIVE

The School's THRIVE programme promotes emotional well-being and enables every girl to develop the growth mindset, resilience and self-worth to enjoy success as well as learn from setbacks. It helps students face the outside forces of change and failure with resilience, flexibility and calm.

As part of the THRIVE programme, girls learn study skills. These are developed as students move up through the School, with the foundations built in Years 7 and 8 carried on through the Sixth Form.

THRIVE also focuses on the importance of well-being. Girls learn about handling social media, self-esteem and body image. This includes how to deal with pressure, responsibility and making the right choices - all skills needed to be successful at school and as an adult.

Boarding

Woldingham's boarding tradition remains strong with the School providing a flexible approach to boarding to meet the needs of families today. Around half of current students board with options including full, weekly and flexi-boarding.

Boarders live in their own year group and are cared for by their Housemistress, Head of Year and a team of residential assistants. Girls in Year 7 and 8 live in Marden and Years 9 to 11 in Main House, with individual study bedrooms from Year 10 upwards. In the Sixth Form, students live in purpose-built accommodation with their own studies, social spaces and kitchens preparing them for university life.

There is a busy range of evening and weekend activities with students in the older years provided with greater independence.

Co-curricular

Woldingham has a rich and varied co-curricular programme with more than 80 clubs and activities to choose from. Students are encouraged to balance study with activity, be proud of their wider abilities, and ensure they are as busy outside the classroom as they are in.

The house system fosters community across the School, with an active house programme of activities and competitions. Woldingham has four mixed-age houses, each of which promotes a spirit of community among girls of different ages. Students belong to one of the four houses named after patrons with close association to the Society of the Sacred Heart. Houses organise a wide variety of activities including charity fundraising events, inter-house competitions and, a highlight of the year, the House Festival in September. Each house celebrates its own annual mass and feast where girls and staff celebrate together and focus their fundraising efforts.

A growing outreach programme provides opportunities for students to give back to the local and wider community.

Sport

Sport is important at Woldingham with students regularly representing their county, region and country in a wide range of sports. School teams do very well in local and regional competitions.

Woldingham has excellent sports facilities including a sports centre with a large sports hall, two squash courts, fitness studio and a dance/gymnastics studio. There are extensive outdoor courts and pitches, an indoor tennis dome, an indoor swimming pool and an all-weather pitch.

Netball and hockey are the major sports in the autumn and winter. In the summer the girls play cricket, tennis and athletics. Students also compete in sports such as swimming and cross-country. However, sport at Woldingham is not just about competition. It is also about enjoyment and team spirit, as well as supporting physical and emotional health and well-being.

The School has a busy weekday and Saturday fixture list and teams participate in district and county tournaments. There are inter-house sport competitions throughout the year, culminating in the annual sports day. Woldingham offers a wide range of sport trips within the UK and overseas.

Creative and Performing Arts

Drama and music are integral to everyday life, with the School's Millennium Centre providing some of the best facilities for music and drama performance of any school in the country. The 600-seater acoustically designed Dineen Auditorium includes an orchestra pit and fully computerised sound and lighting system. The Millennium Centre also has recital and rehearsal rooms, a studio theatre, wardrobe room, dressing rooms and fantastic foyer area.

Many students learn one or more musical instruments, and many have individual singing lessons with specialist instrument and voice teachers. There is a huge range of choice of co-curricular musical activities. Students of all standards are encouraged and there is a busy concert schedule, providing all girls with opportunities for public performance.

The art studios are first-rate with students producing outstanding art work and gaining excellent results at both GCSE and A Level.

Looking Forward

The School published a new five-year strategic plan in 2019 with a refreshed vision and mission. The School's vision is to provide an outstanding education that empowers women to change the world. Woldingham's mission is to be a happy and successful school developing confident, compassionate and courageous young women.

The plan centres around six key strategic objectives: developing people; developing learning; developing ethos and community; developing infrastructure and operations; developing sustainability; and developing communications.
